The parade line up begins in front of Kings Park Elementary School at 10:30 AM on Wednesday, July 4<sup>th</sup>. All bike riders, scooter riders, skate boarders, wagon pullers, stroller pushers, wheelchair riders or anyone else is encouraged to join the fun event! Once you arrive at Kings Park Park, you will be treated to patriotic music from our very own Kings Park Band. Don't forget to bring a chair and a picnic lunch so you can listen in comfort. This year the KPCA will not be selling drinks or hot dogs. There will be cupcakes and ice cream for sale. See you on the 4<sup>th</sup>!!

Happy Birthday, USA!!

As of June 7, 2021, 425 families have paid their 2021 KPCA dues. Membership in the KPCA is only \$25 per calendar year (\$20 for seniors).

This summer, we can look forward to additional events including Food Truck Thursdays, and the KPCA sponsored Ice Cream Appreciation Day. We need your volunteer support and your dues to sustain all these events and to fund additional activities as time goes on!

To submit your membership for 2021, complete the membership insert from the January Gazette, include either cash or check and place the pre-addressed envelope in the mail. You may also complete the 2021 Membership Form online at [www.kings-park.org](http://www.kings-park.org) and submit your payment electronically via PayPal.

**2021 Neighborhood Events  
VP of Events, Susan Metcalf  
(Upcoming events on front page!)**

Who doesn't love ice cream?? The KPCA sponsored Ice Cream Day was a success. With a plan and route in place, the Ice Cream Parade started at noon on June 11 and served ice cream to all residents who joined us at our preplanned stops. Original owners, new residents, family pets, people in their sweats, pajamas and bunny slippers, kids, and even Kit, one of our mail carriers, all excitedly participated. Everyone loved Ice Cream Day!! (Who wouldn't!?) Some photos throughout the gazette, but more ice cream excitement can be seen on the KPCA Facebook Group.

**Covid-19 Vaccine**

If you have not yet received your COVID-19 Vaccine and you are medically able to do so, you can find information on where to schedule your appointment at <https://www.fairfaxcounty.gov/health/nowel-coronavirus/vaccine>

Please stay safe and help stop the spread!

**Solar Energy**

By Beverly Boschert

If the roof of your home receives sunshine, you might consider using Solar panels to harness that free energy. Many of us can help produce electricity and reduce our energy bills!

To see the approximate amount of solar energy that can be generated from the rooftop of your home go to [www.novasolarmap.com](http://www.novasolarmap.com) and enter your address. It is free! On-site assessment performed by a certified professional will be more accurate.

Information on the process needed to apply for permits in Fairfax County is found at <https://www.fairfaxcounty.gov/landdevelopment/residential-solar-panels-0> Our solar company helped with all the permits needed as well as worked with Dominion Energy Virginia to connect to their grid so we now sell our surplus solar-produced energy back to Dominion.

**A note from Supervisor James Walkinshaw

**A “Litt’l Bit o’ Brit” Tour through Kings Park  
By: Sandy Kester, Anglophile and Kings Park Resident**

Welcome and right this way, right this way to your “Lit’l Bit o’ Brit” tour. Watch your step, watch your step. Move along, move along, get a great seat and let’s cue the music start this tour so that I can sing for my suppa. Today, ladies and gents, we are visiting 2 manors or castles, both names start with “K”: Kempton and Kenilworth. Strike up the music.

“Kempton ladies sing this song, doo daa, doo daa. Kempton race track two miles long, doo daa doo daa day. Going to run all night; going to run all day. I bet my money on a bobtail nag, some.....”

Whad ja say? Ah-huh, ah-huh. Stephen Foster.....ah-huh, ah-huh Camptown, Pennsylvania.....1856?...Oh, blimey. I’m singin’ ‘bout the wrong town and in the wrong country!

We’re not going to Camptown, over the pond, we’re going to Kempton, England. Well, Bob’s your uncle (there you have it), pardons me. Hope youse not thinkin’ I’m as thick as two short planks (idiot).

Kempton, the manor and occasional residence of King Henry III (1216-1272), was established in 1246, it also included an enclosed park and was hunting grounds for 300 years, frequented by King Henry VIII (you know, 8 wives, “off-with-her-head,” Henry) and his short-reigned son Edward VI. Jousts were a noted popular activity held in Kempton park field in the 1270s. Henry VIII enlarged the park to 150 acres adding deer, rabbits and horses. In the 17<sup>th</sup> century the park was enlarged to 460 acres. By 1803 the park’s 300 acres became private and in 1876 a company bought it for a racecourse (see, see I tolds ya...”Camptown races...”). In 1897 the New River Company established a reservoir & waterworks behind the racecourse. The manor & park was used during WW1 & WW2 as a prisoners of war camp. By 1929 the Metro Water Board opened a new engine house for pumps there; this is now the Kempton Park Steam Engine museum.

Alright, mateys, we are now heading 90 miles NW of London for Kenilworth. A market town which lies on Finham Brook, it flows into the River Sowe which joins the River Avon, 75 miles long. Stratford-Upon-Avon is famous as the birthplace of William Shakespeare. Renowned for its castle, Kenilworth, still standing from Norman times (1070-1200), it was built in 1122. The castle is one of two major water castles, entirely surrounded by moats. Part of a six months’ siege in 1266, thought to be the longest in Medieval English history, the castle became part of England’s few civil wars. The castle’s popularity increased after Sir Walter Scott wrote the book: “*Kenilworth*” in 1821 describing the royal visit of Queen Elizabeth the first in 1575. By 1830 the artist J.M.W. Turner painted a lovely watercolor of Kenilworth castle and in subsequent years a play written in 1865 called “*The Masque of Kenilworth*” made it popular again.

Well, my gents and genteels, it’s been my pleasure to have you part of the tour. Join us next go-round as we move along the country visiting other places in our beloved England.

Cheers, Luv.

### Neighborhood Safety Begins at Home VP of Community Safety, Susan Cappa

Neighborhood watch is about making Kings Park safe. However, you don't need to patrol to make the area safe (*although we wish you would*). Each homeowner or renter can do their part without leaving their property. For example, take a walk in front of your house. Do tree branches hang down, or do shrubs stick out; making it difficult for pedestrians to stay on the sidewalk? Find the offending branches and have them trimmed, or do it yourself. Pedestrians will thank you and your lawn and nearby plants will grow better because they'll get more sun.

Is your front entrance dark because it's poorly lit or because you've got overgrown shrubs? Poorly lit shrubbery is a great hiding place for intruders, either humans or animals (or cicadas). So get some lights and give those overgrown plants a trim. If you've got a corner lot, do you have any big plants or shrubs that block visibility at the crossroads? Right now, checking and pruning plants to promote visibility is particularly important, because plants and trees are leafing out.

Thunderstorms are common in the summer and sometimes they happen on trash day. If you're home, take in your trash cans from the street after they are emptied but before the storm hits. It's another obstacle that drivers coming home in the rain don't need and it saves you from going on a hunt for a wet trash can. Also, every time a storm is predicted, do a storm check for toys, bikes, plastic chairs and other front yard staples that could blow out into the street.

Can visitors or emergency vehicles find your house easily? Are your street numbers clearly displayed, either on the curb or on your house? Almost every summer, companies advertise painting your house number on the curb. It's cheap and can help people find your house.

Most important: **LOCK YOUR CAR. Every time you leave it, lock it.** If you've got a fob, just go to your front door and press 'lock'. You don't have to leave the house to ensure that your car is locked. Vandals make a career of stealing items from unlocked cars. Don't make it easy for them.

Next issue, we'll discuss working with government agencies to make our neighborhood safer. Meanwhile, if you've got suggestions to improve safety please post them on our Facebook page, or email them to me, at [sjcappa@gmail.com](mailto:sjcappa@gmail.com).

### Parliament Pool is Open for the Season! By: Charlotte Rotteveel

Hi, my name is Charlotte and I am 8 years old. I have been to the pool for my entire life and it is awesome! I mostly like to dive off the diving board and to swim with my friends. I am on the diving team and the swim team. They are both a lot of work but a lot of fun. There is also a baby pool that is very shallow. There are also popsicles and treats during break! I also like making new friends and seeing other friends. My parents like that they can see their friends and that my sister and I get tired and actually fall asleep at nighttime. They also like that there are shady spots to sit at.

There is still time to join!

**Bike Parade!**

*The bike parade is happening this year! It is on July 4<sup>th</sup>, as usual, and starts at Kings Park Elementary School and lets out at the Kings Park Park. Some fun ways to make your bike shine in the parade are: wash your bike (the lack of dirt will make it shine brighter than any streamer) and to add some cheap décor. It doesn't have to be fancy to look cool! Also, remember to wear a helmet. There are usually lots of bikes and you don't want to get hurt.*

**Summer Challenge Course**

*Challenge your friends and siblings to this course! You can play it as a relay race, team game, individuals, or by yourself! Enjoy!*

1. Spring to a line, grab a stick, and come back.
2. Hula Hoop for 20 seconds.
3. Do 100 jumping jacks.
4. Jump rope for 45 seconds.
5. Do 15 burpees OR a 30 second plank.
6. Run 5 houses down the street, run back, and do your best victory dance.
7. Drink water and celebrate. You're done!

**7 Fun Riddles w/ Answers (Answers at the bottom!)**

1. What runs but never walks, what has a bank but no money?
2. What has four legs and a body but cannot walk?
3. Hard One!: How do you make a six into an odd number without adding or subtracting?
4. Where does today come before yesterday?
5. You go at red and stop at green. What am I?
6. A girl fell off a 20-foot ladder. She wasn't hurt. How?
7. Two people were playing chess. They both won. How?

**Answers**

1. A river.
2. A table.
3. You take away the s and then are less with IX, the Roman numeral for 9.
4. A dictionary. T comes before Y in the alphabet.
5. A watermelon.

**By Terry Boschert**

Our Flag. As we celebrate the 4<sup>th</sup> amidst family and friends with food, speeches, parades, fireworks, patriotic music, tributes to our veterans, remembrances to those who fell so that we may be free, and salutes to our flag, let us remember what the colors of our flag symbolize: **Red-hardiness and valor; White-purity and innocence; Blue-vigilance, perseverance, and justice.** We Americans should honor and practice those traits.

1,196,524. The number of American Military who died in our wars from the Revolutionary War to the War on Terror. I will focus on WWII.

World War II. An estimated 420,000 Americans (military and civilian) died during WWII. Another 671,000 Americans were wounded. Among those military and civilian fallen were African Americans. Alongside their white counterparts, they served and fought for our Nation bravely and with distinction in every theater of World War II despite facing segregation and racism at the battle fronts and at home. By 1945, more than 1.2 million African Americans, you read correctly, more than 1.2 million, would be serving in uniform on the Home Front, in Europe, and the Pacific, including thousands of African American women in the Women’s auxiliaries.

Inductions into the Army of Selective Service registrants from other racial, religious, and nationality groupings up to December 31, 1945. 13,311 Chinese Americans, 20,080 Japanese Americans, 1,320 Hawaiians, 44,000 American Indians, 11,506 Filipino Americans and 500,000 Latino Americans. Other groupings I found include: 555,000 Jewish Americans, 1,000,000 Polish Americans, 1,500,000 Italian Americans, 30,000 Arab Americans, and 18,500 Armenian Americans. Over 16,000,000 Americans served in WWII.

Note: Group Labels and Statistics differed between various web sites and, in some cases, reflect decades old perspectives.

Back to the flag. So, those red, white, and blue colors represent the sacrifices and dedication of Americans throughout the history of our country. Religion, skin color, native language, original immigrant country, politics, baldness, body profile, whatever idiotic measures we use to separate “them” Americans from “us” Americans, please discard. The Americans who now serve or have served to protect us and those who died for our freedoms, all deserve better. We are all Americans.
