

Gazette Printing for Members and Non-Members Survey

Currently the KPCA prints and distributes over 1,100 hard copy Gazettes to every house in Kings Park each quarter. However, due to fewer members and fewer volunteers we may not be able to continue print and physically distribute the Gazette going forward... **without your input and help!** The KPCA is considering distributing an electronic only version of the Gazette to our community email distribution list, with the option for Kings Park residents who wish to receive a hard copy to elect to do so and have it delivered.

The below survey will help the KPCA conduct a census regarding the current distribution of the Gazette.

Please submit the survey electronically (scanned) to KingsParkCivicAssociation@gmail.com, drop off in the mailbox at 5217 Kings Park Drive, Springfield, VA 22152, or mail to Kings Park Civic Association, P.O. Box 1243, Springfield, VA 22151
